EUROMAT 2021

EUROMAT is the premier international congress in the field of materials science and technology in Europe.

Euromat 2021 is the 18th conference in the series of Euromat conferences organised under the auspices of the Federation of European Materials Societies (FEMS) every two years since 1989. This 2021 conference is co-organised by ASMET, the Austrian Society for Metallurgy and Materials.

ORGANIZATION

ASMET
THE AUSTRIAN SOCIETY FOR METALLURGY AND MATERIALS

SCIENTIFIC SUPPORTERS
ASMET

THE AUSTRIAN SOCIETY FOR METALLURGY AND MATERIALS

The ASMET – The Austrian Society for Metallurgy and Materials – has been dealing with metallurgy and materials since 1864. ASMET is a platform for the exchange of information and knowledge among metal producing, manufacturing industry, their suppliers, technical universities and research institutes.

FACTS & FIGURES

> 1,150 personal members
> More than 100 corporate members with about 150,000 employees
> Internationally active technology groups as members, among others voestalpine AG, Andritz AG, Inteco melting und casting technologies GmbH, Primetals Technologies, RHI AG, with a total annual turnover of 43 billion euros
> More than 400 million euros in annual R&D investments of ASMET member companies
> More than 1,000 researchers work in ASMET member companies
> Approximately 90% export rate of the ASMET member companies

GRAZ

is an imperial city, centre of science and learning, of (modern) architecture, cultural capital & modern European city, situated strategically in the southern part of Austria near the border to Slovenia, Hungary and Italy.

Graz is a perfect location for international congresses & conventions. Easily accessible from every part of the world, it is considered to be one of the safest cities, providing abundant modern hotel accommodation supported by an excellent public transportation system.

Graz offers great opportunities for sightseeing, excursions and technical visits. Many hotels are within walking distance from the proposed convention centre – Over 900 years of living history in the second largest city in Austria. Nowhere else in the world will you find outstanding architecture of all styles in such a concentrated area – from the Middle Ages through to the 21st century.

In 1999 Graz was added to UNESCO’s list of World Cultural Heritage sites.
CONFERENCE VENUE - STADTHALLE GRAZ
Stadthalle Graz
8010 Graz, Messeplatz 1
Phone +43 316 80880

- located within easy reach of the city centre
- hotels in direct proximity
- tram stop in front of the entrance
- taxi rank directly in front of the entrance
- only 10 km from the Graz Airport
- ample parking facilities
- direct drive-in access

Stadthalle Graz is an ideal congress venue for exhibitors:
- main access for exhibitors
- registration at the same floor
- participants walk through exhibition before entering conference rooms
- catering served in exhibition area
- direct drive-in access for easy delivery and collection of exhibition equipment

IMPORTANT FIGURES
Around 1500 to 2000 international delegates
Up to 20 parallel sessions
First time in Austria

AREAS
A Functional Materials
B Structural Materials
C Processing
D Characterization and Modelling
E Energy
F Biomaterials and Healthcare
G Education, Strategy and Technology Transfer
H Raw Materials
DO NOT MISS THE OPPORTUNITY TO ATTEND/SUPPORT THE BIGGEST MATERIAL EVENT IN EUROPE 2021

WHY?

• Meet face to face with more than 1500 experts of functional materials, raw materials, structural materials including steel, metals, ceramics and polymers

• Strengthen your scientific network and create new partnerships with the highest level of research & education community

• Enhance your knowledge about the latest scientific and technical advances in materials

• Promote your latest techniques, services and solutions

• Foster technology transfer and create a network with future leading experts

• Be part of this worldwide event with key international leaders working or the scientific outreach of the community

• Demonstrate the educational excellence of your university or the industrial excellence of your company
SPONSORING OPTIONS

**PLATIN PACKAGE**
- 8 full registration tickets
- exhibition space 7 x 2m (14 m²) incl. standard booth
- company logo on the website including the link to the company’s website
- logotype splash in the conference mobile app
